Attachment to Request for Implementation Date (RFID) for Approved MILSTRIP Change 37, Temporary Exemption of Selected Units from the MOV Process

1. Add the following to definitions and terms.

THEATER. The geographical area outside the continental United States for which a commander of a unified or specified command has been assigned military responsibility.

2. Revise chapter 7, subparagraph E.2. to read:

"2. The MOV response time *is* prescribed in **Figure 7-1**. Deployed units, afloat units, and **CONUS/OCONUS** locations which are unable to acknowledge receipt, or to respond by the prescribed date, may request the DAASO to temporarily provide responses to MOV requests. The request must be approved by the theater/fleet commander *or major command* by message to the DAASO (see appendix A26). ~~The message will cite the MOV cycle the unit will be able to acknowledge receipt and provide the required MOV response.~~ **The message will also cite the MOV cycle the activity is unable to acknowledge receipt and provide the required MOV response. The DAAS will not generate MOV responses for any subsequent MOV cycle unless a separate message is received. If the message is received prior to the MOV cycle, the DAAS will suppress the DI AN_ transactions.**"

limit to one cycle only.

3. Add the following sentence to the end of Chapter 7, paragraph H.4.:

"The DAAS will maintain a history record of all DI code AN_ transactions processed for each MOV cycle."

4. Add the following new subparagraph to Chapter 7, paragraph I:

"5. DAAS MOV response procedures for activities prescribed in paragraph E.2., this chapter, are contained in paragraph L., this chapter."

5. Delete the second and third sentences of Chapter 7, paragraph J.2.

6. Add the following as the second sentence of Chapter 7, paragraph L.2.:

"Services/Agencies have the option to allow their activities to use the DI AP8 transaction (Appendix C48) to respond to MOV requests which have been verified as valid and the quantity field remains unchanged."

7. Add the following new subparagraph to Chapter 7, paragraph L.4.:

"4. DAAS will utilize the DI AP8 transaction (Appendix C48) to provide responses to the DI AN transactions received for activities using the procedure outlined in paragraph E.2., this chapter."

8. Add the following new subparagraph to Chapter 7, paragraph L.5.:

"5. DAAS will provide appropriate DI AP responses to the respective supply source for each DI AP8 transaction received."

9. Add the following new subparagraph to Chapter 7, paragraph L.6.:

"6. DAAS will utilize the DI AN history file to generate appropriate DI AP responses for the activity identified in the DI AP8 transaction."

10. Revise Appendix A, Forms/Message Formats, Index to add the following:

Page

"Appendix A26 - Message Request for DAAS MOV Response" A26-1"

11. Revise the new Appendix A26 to read as follows"

"APPENDIX A26

2

All activities must submit AP with changes prior to generating AP8. DAAS will hold AP8 for 3 days before generating API unless received with status but no later than last day of cycle

~~requests generated for MOV cycle (enter appropriate cycle number from Figure 7-1, Chapter 7).~~ This request has been approved by the (enter MACOM or fleet/theater commander as appropriate).

2. The action officer for this message is (enter name and AUTOVON number of responsible individual having knowledge of this request)."

12. Revise Appendix B1, Document Identifier Codes, code, document title, and explanation of the DI APC to read:

<u>CODE</u>	<u>DOCUMENT TITLE</u>	<u>EXPLANATION</u>
AP8	Material Obligation Validation Response	DAAS transaction to effect MOV responses for specified activities. Also used by activities to have DAAS provide responses for validated MOV requests (see Chapter 7, paragraph, L.2.).

13. Add the following to Appendix C, Formats, Index:

	<u>Page</u>
"Appendix C48 - DAAS MOV Response Transaction	C48-1"

14. Revise and add to Appendix C, the new Appendix C48 as follows:

"APPENDIX C48
